Prekrasni, kozmopolitski, svjetski grad koji je opstao kroz različite događaje, ostaje neotkrivena škrinja s blagom za svoje posjetitelje. Posjetiti Sarajevo znači svjedočiti istovremeno najvećoj žalosti i najvećem trijumfu moderne civilizacije. DOBRODOŠLI U SARAJEVO !

The beautiful, cosmopolitan, world-class city that has survived through various events remains an undiscovered treasure chest for its visitors. To visit Sarajevo means to witness at the same time the greatest sorrow and greatest triumph of modern civilization.

WELCOME TO SARAJEVO !

Poštovani,

Velika mi je čast i zadovoljstvo izraziti dobrodošlicu na Prvi Kongres Udruženja endoskopskih hirurga u Bosni i Hercegovini, koji će se održati od 6. do 8. septembra/rujna u Hotelu Holiday u Sarajevu.

Iskreno se nadam da će izabrane teme u oblasti endoskopske hirurgije privući pažnju doktora koji se bave abdominalnom, torakalnom ili dječijom hirurgijom, urologijom, neurohirurgijom, ortopedijom, ginekologijom, otorinolaringologijom, gastroenterologijom, kao i drugih medicinskih profesionalaca.

Cilj kongresa je diskutovati i o rezultatima najnovijih istraživanja, prikazati najsvježija iskustva iz prakse i otvoriti nove puteve za integrisanje različitih pristupa i procedura.

Učešće eminentnih gostujućih predavača iz inostranstva, eksperata iz svojih oblasti, predstavljaće izvanrednu priliku da svoje znanje obogatimo najsavremenijim aktuelnim informacijama.

Pozivamo vas da svojim učešćem doprinesete kvalitetu ovog skupa koji će se održati u našem Sarajevu. Nadamo se da ćete naći interesovanje i vrijeme, da nam se pridružite

Dobro došli!

Predsjednik Udruženja

Prof.dr med.sci. Samir Delibegović

Dear colleagues,

It is my great honor and pleasure to invite you to the First Congress of Endoscopic Surgeons of Bosnia and Herzegovina, which will be held from 6th to 8th September 2019 at the Hotel Holiday, Sarajevo, under the auspices of the European Association for Endoscopic Surgery (EAES).

The Association of Endoscopic Surgeons of Bosnia and Herzegovina is a professional association which was founded on the level of the state on 21st April 2018. Its foundation was prompted by the fact that all European countries, including our neighbors Croatia and Serbia, have their own independent Associations of Endoscopic Surgeons, through which they have encouraged the development and progress of this type of surgery.

The AESBH encompasses all doctors who work in endoscopic surgery. The AESBH seeks to advance endoscopic surgery in all parts of BH, through workshops, at which our colleagues from neighboring countries and from the EAES will participate as teachers and also through symposia and congresses like this.

We invite you to contribute by your participation to the quality of this gathering, which will be held in Sarajevo, in the capital city of BH, well known for its beauty, and traditional cultural and religious diversity. This is also an opportunity to get to know this lovely city!

“At whatever time of day, and from which ever height you cast your gaze over Sarajevo, you will always be unwittingly struck by the same thought. This city is a city that is burning out and dying but at the same time is being born and transformed. Today, it is the city of our most beautiful aspirations and efforts, our boldest desires and hopes,” wrote Ivo Andrić, recipient of the Nobel Prize for Literature.

We hope you will be interested and have the time to join us!
